

Bubbles

Come with me; forget your troubles.
We'll take some soap and make some
bubbles!

We can make them **big** or **small**;

It isn't very hard at all.

I can't be angry, sad or blue

When blowing bubbles-now, can you?

Just blow your blues into each one.

We'll watch them sparkle in the sun.

We'll send them out into the sky.

Bubbles floating all around.

Bub. . .bles fall. . .ing to...the...ground.

POPCORN SONG

Pop- pop - pop!

Says the popcorn in the pan

Pop- pop - pop!

You may catch me if you can

Pop- pop - pop!

Says each kernel hard and yellow

Pop- pop - pop!

I'm a jolly little fellow

Pop- pop - pop!

How I scamper through the heat

Pop- pop - pop!

You will find me good to eat

Pop- pop - pop!

I can whirl and skip and hop

Pop- pop - pop!

Dancing, I never want to stop!

I'm a little popcorn in a pot

Heat me up and watch me pop

When I get all fat and white I'm done

Popping corn is lots of fun!

The Gingerbread Man

A baker took some gingerbread dough
And shaped a man from head to toe.
When it was baked, the cookie fled.
Here is what the cookie said:

Run! Run! As fast as you can!
You can't catch me, I'm the gingerbread
man!
I'm the gingerbread man!
Run! Run! As fast as you can!
I'm the gingerbread man!

My Mum Can Do Anything

My mum can do anything,
Anything at all.

Roller skate, Parachute,
And throw a cricket ball.

My mum can do anything,
Anything you like,
Water ski, Surfboard ride
And race a motorbike.

My mum can do anything,
Anything you say.
That's why I think
My mum's okay.

Popcorn

Popcorn crowding all around,
Hot air blows them round and round,
Yellow corn kernels poppity pop,
One after another, when will they
stop?

Whirling, swirling the popcorn pops,
In a bowl they quickly drop,
Fluffy popcorn, grab a bunch,
Light and tasty, eat them crunch.
